Authorization and Agreement

Signing below constitutes an Agreement to conform to the Credit Union's bylaws and the terms and conditions of the Truth-in-Savings Disclosure and Account Agreements and the Electronic Services Disclosure and Agreements, which are incorporated by this reference, whether applicable to products and services I am currently requesting, or request in the future. I may obtain a copy of these disclosures at a MCU branch. These disclosures will be mailed to me by MCU once my account has been opened. If I, the Prime Owner, am under 17 years of age, I understand that I must have a parent or guardian of legal age as Joint Owner on any checking accounts I have with MCU. I authorize you to gather whatever credit, checking account, and employment information you consider appropriate from time to time. I understand that this offer is based in part on MCU's review of my credit standing.

Taxpayer Identification Number (TIN)

Certification and Backup Withholding Information

If the account is in more than one name, see the chart in the Truth-in-Savings Disclosure and Account Agreements for guidelines on whose number to enter. Typically, this will be the Prime Owner's Social Security Number.

Taxpayer Identification Number (TIN)

I agree to enter my TIN in the appropriate box. For individuals, this is my Social Security number (SSN). For most entities, it is my Employer Identification number (EIN). If I do not have a number, I will refer to the "How To Get a TIN" section in the Truth-in-Savings Disclosure and Account Agreements.
